12.18 Eastman Regional Municipal Committee (Lobby)
RESOLUTION 7125-05-23

M. King, J. Tirshman

WHEREAS the Province of Manitoba and Association of Manitoba Municipalities (AMM) recognizes that public safety is a primary concern for all communities, municipalities, its residents, and all Manitobans;

AND WHEREAS By-law enforcement is an important component under the umbrella of public safety and there is a greater onus on all communities and municipalities to provide increased by-law enforcement, as well as public safety patrols;

AND WHEREAS the Manitoba Municipal Act provides Cities, Communities, and Municipalities with the ability to develop and enforce by-laws with the appointment of a designated officer; Communities Working Together

AND WHEREAS the provincial government has also enacted the Provincial Offence Act (POA), to assist Communities and Municipalities with by-law enforcement;

AND WHEREAS the POA provides authority for "By-law Enforcement Officers", who can enforce municipal by-laws, as designated officials under the Municipal Act;

AND WHEREAS every Community and Municipality generally consults legal counsel when developing by-laws and it can become a costly repetitive venture;

AND WHEREAS the costs of hiring a lawyer to prosecute a by-law offence is also significant for all communities and municipalities and in many instances these costs are higher than the allowable by-law fine;

AND WHEREAS many Municipalities and Communities are utilizing the POA to develop enforceable by-laws, and then utilize the Provincial Offence Notice to prosecute the offences through the Provincial Courts;

AND WHEREAS under the POA, the By-law wording and allowable fines are required to be vetted and reviewed by the appropriate provincial agencies, but once reviewed and authorized become enforceable, with the Municipality or Community receiving its allocated fine and the court costs being allocated to the province;

AND WHEREAS to reduce costs and unnecessary duplication for all Municipalities and Communities it would be beneficial if the Association of Manitoba Municipalities (AMM) and the Manitoba Municipal Administrators Association (MMAA), would work together to develop a By-law Standardization Website or electronic Portal;

AND WHEREAS Municipalities and Communities that have gone through the required process of developing a by-law under the POA could submit the vetted by-law to AMM and MMAA for the information of their membership to copy;

AND WHEREAS with the standardization of by-laws, these offences would become more enforceable and accepted by the courts, versus being disallowed due to an improperly developed or worded by-law offence;

AND WHEREAS the prosecution of by-laws is costly, some municipalities and communities are now cost sharing lawyer fees, by having court dates set for specific dates;

AND WHEREAS in the Eastern Manitoba region, many Municipalities and Communities contract out by law enforcement duties to private companies, who are authorized to utilize the Provincial Offence Act to ticket by-law offenders;

AND WHEREAS under the Provincial Offence Act the court costs are recouped by the province, while the Municipality or Community is still required to cover their legal fees in a not guilty plea;

AND WHEREAS it would be beneficial if the Province of Manitoba developed regional by-law courts, with a designated counsel to assist municipalities and communities with the prosecution of by-law offences;

THEREFORE, BE IT RESOLVED that council of the LGD of Pinawa does hereby support this resolution, requesting that AMM and MMAA work together to develop a By-Law Standardization Website or electronic Portal, which could be accessed by all Municipalities and Communities and thereby assist them in developing and sharing streamlined enforceable standardized municipal by-laws, reducing duplication and legal costs;

AND FURTHER, BE IT RESOLVED the AMM lobby the Province of Manitoba to develop a regional By-law court process which would be specific to by-law enforcement offences,

and this would greatly reduce legal costs for all cities, municipalities, and communities, while enhancing by law enforcement and overall public safety. CARRIED.

**12.18 Eastman Regional Municipal Committee (Lobby)
RESOLUTION 7126-05-23**

M. King, J. Tirschman

WHEREAS Manitoba Municipalities share resources such as Fire Departments, Libraries and Recreation Facilities;

AND WHEREAS the facilities are jointly owned by two or more municipalities;

AND WHEREAS the facility is located in one municipality;

AND WHEREAS under section 22(1) of the Municipal Assessment Act real property is exempt from taxation if it is owned by the municipality other than for local improvements;

AND WHEREAS the percentage of ownership that is retained by the other municipality is therefore taxable;

THEREFORE BE IT RESOLVED that AMM lobby the Province of Manitoba Department of Municipal Relations to revise the Municipal Assessment Act to exempt property jointly owned by municipalities from taxation regardless of what municipality the facility is located in.

CARRIED.

**12.18 Eastman Regional Municipal Committee (Lobby)
RESOLUTION 7127-05-23**

M. King, J. Tirschman

WHEREAS The Province of Manitoba and Association of Manitoba Municipalities (ANMM) recognizes that public safety is a primary concern for all communities, municipalities, its residents, and all Manitobans.

AND WHEREAS By-law enforcement is an important component under the umbrella of public safety and there is a greater onus on all communities and municipalities to provide increased by-law enforcement, as well as public safety patrols;

AND WHEREAS the Manitoba Municipal Act provides Communities and Municipalities with the ability to develop and enforce bylaws with the appointment of a designated officer;

AND WHEREAS the provincial government has also enacted the Municipal Bylaw Enforcement Act and the Provincial Offence Act, to assist Communities and Municipalities with by-law enforcement;

AND WHEREAS the Provincial Offence Act provides authority for "Bylaw Enforcement Officers", who can enforce municipal by-laws, as designated officials under the Municipal Act;

AND WHEREAS in a March 2022 memo, Manitoba Justice and Municipal Relations highlighted to all Municipalities and Communities that Enforcement Officers, did not have "peace officer" authority;

AND WHEREAS By-law Enforcement Officers perform an important role in addressing public safety and provincial courts, as well as criminal case law does recognize them as "peace officers";

AND WHEREAS In November 2022, the membership of the Association of Manitoba Municipalities passed Resolution #28/2022 requesting that the Province address By-Law Enforcement Officers, within the ongoing review of the Police Service Act, providing them with "Peace Officers" designation and also develop training standards;

AND WHEREAS since that time, Manitoba Justice has done several presentations to communities, municipalities, and at AMM conferences, outlining the Community Safety Officer (CSO) and First Nations Safety Officer (FNSO) program, and put forth Bill C-34 amendments to the Police Services Act, to clarify the roles and processes for the CSO/FNSO within legislation;

AND WHEREAS the CSO/FNSO programs were developed in 2013 and 2014 being intended to provide local governments with lower cost alternatives to augment existing police services, to address low risk issues, with the police agency essentially becoming and assuming the daily supervisory control of these officers;

AND WHEREAS CSO/FNSO would be designated "peace officers", with limited authorities, with the critical requirement being that they must be a direct employee of the municipalities or community;

AND WHEREAS the direct employee requirement is not practical for all 137 Municipalities and Communities, as many Municipalities and Communities contract out by-law enforcement to external agencies and would also contract out the CSO/FNSO.

AND WHEREAS as a direct employee of the CSO/FNSO the Municipalities and Communities would also be responsible for costs of training, outfitting, operational and supervisory control;

AND WHEREAS policing and by-law enforcement requirements between urban and rural cities, municipalities and communities are different and, in some instances, unique; AND WHEREAS in the Eastern Manitoba region, many Municipalities and Communities contract out by-law enforcement duties to private companies, with some municipalities and communities sharing these by-law enforcement services through a regional approach;

AND WHEREAS The Manitoba Government is adopting a layered tiered policing model within the Province of Manitoba and By-law Enforcement Officers form an important part of this layered policing/public safety model and should be included within the review of the Police Services Act.

THEREFORE, BE IT RESOLVED the LGD of Pinawa hereby supports this resolution, requesting that AMM continue to lobby the Province of Manitoba to include By-law Enforcement Officers within the ongoing review of the Police Service Act and designate them as Peace Officers, within the regulations with the development of training standards.

AND FURTHER, BE IT RESOLVED that AMM continue to lobby the Province of Manitoba to remove the requirement from the Police Service Act, that the CSO/FNSO be a direct employee of the City, Municipality or Community and provide the option of contracting out, as this would greatly assist smaller municipalities and communities, with another option to address by-law enforcement and enhance public safety. CARRIED.

13. ADDITIONS

13.1 District Representative for MB Municipal Administrators – Tabled.
